

# **CENTRE OF EXCELLENCE IN ERP\_CRM**

---

Hitachi Solutions India Pvt. Ltd, Hitachi started its business in India in the 1930's. With over 25 business bases and over 10,000 employees in India presently, Hitachi Group in India is expanding through using its expertise in 'Social Innovation Business'.

Hitachi India Pvt. Ltd. (HIL) markets and sells a wide range of products/services ranging from Information & Telecommunications Systems, Digital Solutions & Services, Infrastructure Systems, Industrial Systems like Water, Oil & Gas supply and management to Transportation and Urban Development Systems. Together with further localization, Hitachi aims to contribute to developing a sustainable society in India as well as contributing to the country's economic growth.

## **Hitachi India Research & Development Centre**

Hitachi Research & Development Centre in India is an integral part of the Hitachi's global R&D network. Our global R&D network has technologically advanced laboratories in various countries including Japan, U.K., France, Germany, USA, China, Singapore and Brazil. The researchers working with Hitachi India R&D hail from India's most prestigious universities, as well as renowned universities overseas, and possess a wealth of experience and expertise in their respective fields of research. Our researchers not only work with the Hitachi global network but many of our initiatives also involve research partners in leading Indian institutes of research (e.g. IITs and IIMs) as well as key customers.
