

NetRiders Asia Pacific and Japan

Round 1 Results – list of competitors who advance to Round 2 finale

Posted 31 July 2017

Cisco Networking Academy NetRiders Asia Pacific and Japan 2017 CCENT Competition

Below are the Round 1 NetRiders CCENT competitors who are invited to advance to CCENT Round 2 finals on Wednesday, 6 September, 2017.

NOTE: Malaysia competes in Round 2 on 23 August. Singapore competes in Round 2 on 13 September.

According to the rules, up to five (5) top scores from each participating academy with up to 20 participants and up to ten (10) top scores from each participating academy with 21 or more participants who also have a minimum 60% score after Round 1 are invited to advance to Round 2 on 6 September 2017 (see special dates for Malaysia and Singapore).

If your academy had more than 5 or 10 students compete in Round 1 but the list below does not have 5 or 10 students listed from your academy, it is because:

- **There were not 5 or 10 students from the academy** who met **all the eligibility requirements** (see Official Rules for details but the key for CCENT was currently enrolled in or have completed in the last 10 months a level 1 or 2 CCNA course), and/or
- **There were not 5 or 10 students from the academy** who scored the **minimum 60% score** on the Round 1 exams

For more details on all the rules for this competition, as well as the frequently asked questions, please visit the Asia Pacific and Japan regional page on <http://www.AcademyNetRiders.com>.

Proctoring is required for Round 2 and all those on this list from **Australia, Fiji, Indonesia, Japan, Myanmar, Nepal, New Zealand, Philippines, Sri Lanka and Vietnam** must complete a task by 16 August on the competition page selecting the instructor who will proctor Round 2.

If an instructor at your academy is not listed, you need to follow the instructions on the task to get your instructor to get added to the list. Please note that some countries will have designated locations for Round 2 participation and if you are in a country that requires participating at a designate location, you will be contacted by Cisco staff in your country.

All those on this list from **Bangladesh, Cambodia, India, Malaysia, Singapore, South Korea and Thailand** will need to go to a designated location in their country to be proctored for Round 2. An email will be sent with location and times.

This list is **alphabetical by country**, then **alphabetical by academy** and then in **rank order within the academy**. We do not provide actual scores, only rankings. **This list is only for those who are invited to advance to CCENT Round 2 on Wednesday, 6 September 2017. Exceptions are Malaysia Round 2 is 23 August and Singapore Round 2 is 13 September.**
