ABOUT THE INSTITUTE

The R.M.K. Engineering College, started in the year 1995 is situated in a picturesque environment at Kavaraipettai, Gummidipoondi Taluk, Thiruvallur District, Tamilnadu. The College is run by Lakshmikanthammal Educational Trust. The objective of the Trust is to "Foster Technical and Higher Education, Training & Research in various branches of Engineering & Technology, while, the emphasis is to inculcate among the youth, a sense of discipline, and to mould them as professionals with integrity and character". The College has acquired recognition and public acknowledgement as one of the top ranking institutions in the State. College has been accredited by NAAC with A+ Ranking. Also Ranked 84th by MHRD in NIRF Ranking 2017 and Ranked 6th by MHRD in Swachhta Ranking 2017.

DEPARTMENT PROFILE

The Department of Information Technology was established in the year 1999. Our Mission is to provide conducive environment for technical learning and Equip the learners to have desire for higher learning and research in the domain of Information Technology. Apart from imparting ability to face the global challenges successfully and spirit for innovation and entrepreneurship. The teaching and research activity of the Department is supported by a team of Professors, Associate Professors and Assistant Professors who provide and maintain high standards of teaching and learning. All faculty of Department are members of various professional societies and technical bodies like IEEE, ACM, CSI, ISTE, IEI, IACSIT etc. The Department has been accredited by NBA for five years which is valid till February 2019.

ABOUT THE SEMINAR

Computer Engineering Research using Analytical Modeling enable the researcher to use facts or information already available, and analyze them to make a critical evaluation of the work. It involves the in-depth study and evaluation of information in an attempt to explain complex phenomenon. It is primarily concerned with testing hypothesis and specifying and interpreting relationships, by analyzing the facts or information available.

OBJECTIVES OF THE SEMINAR

On attending this seminar, participants will be able to:

- Identify research topics in Computer Science Engineering
- Devise mathematical model for engineering problems
- Identify metric that needs to be measured
- Validate the mathematical model

RESOURCE PERSON

Dr.D.Arivudainambi,Professor
Department of Mathematics,
CEG Campus, Anna University,
Chennai - 600 025

REGISTRATION DETAILS

Academicians &
Research scholars : Rs. 500/-

Registration fee should be paid by demand draft in favor of "The Principal, R.M.K. Engineering College, Kavaraipettai", payable at Chennai.
