Subject: Tech M Hackfest - Season 1 - Result Announced

To: IRIS <IRIS@techmahindra.com>

The graphic is a vibrant red and orange background. In the top left, there is a circular logo for 'TechM Weve 2' with the tagline 'Powered by Passion, Delivered by Collaboration.' In the top right, the 'Tech Mahindra' logo is displayed. The central text reads 'TECH MAHINDRA UNIVERSITY HACKFEST - SEASON 1 THE RESULTS ARE OUT' in bold white and yellow letters. Below this, it says 'We congratulate the winners!' followed by '10000 + student registrations', '500 + ideas | 25 + solutions', and '5 WINNERS' in large, bold, yellow and white text. To the right of the text is an illustration of five people (three men and two women) standing around a blue 3D staircase. One man is standing on the top step, holding a large golden trophy. The bottom right corner of the graphic features the 'Iris' logo and the text 'Thank you for participating. We'll meet you again in Season 2.' and the tagline 'Connected World. Connected Experiences.'

Dear all,

We are happy to see the overwhelmed response we received for this hackathon and we appreciate the enthusiasm exhibited by all the teams who were part of final round of the hackathon.
