Sasangan Ramanathan

Dean (engineering),
Amrita University

Several pedagogical modifications were made to ensure that online learning was interesting, participative, made use of virtual labs and had more discussion hours to keep the students engaged. There was emphasis on self-study with mentorship from faculty and evaluations based on projects and viva voce.

Dr Farzana Mahdi

Vice chancellor, Era University

Use of technology in the form of online learning tools, software and learning management systems has helped our students scale new heights. [Our] animation department produces 3D animation videos to complement the lectures and [our] educational gaming platform creates world-class games that hone the skills of students.

B.L.

Shivakumar

Principal and secretary,
Sri Ramakrishna College
of Arts and Science,
Coimbatore

The faculty used more than 60 tools for teaching, classroom management and internal evaluation. We believe that the new methods, new modes and new models adopted so far will flourish. Utmost care has been taken to prepare the student community and to get them ready to face a competitive world.
