Institutional Distinctiveness

Upgraded the status quo

R.M.K Engineering college was conferred autonomous status during the year 2020-21, the curriculum underwent a major facelift and the redesigning was done to ensure high-quality employability skills among the budding engineers. The institution elevated itself to follow a Research-based curriculum. High-quality digital content is designed by the faculty members.

AI-Powered Learning Campus:

Edwisely is a web cum mobile application introduced effectively to train the students in answering objective type MCQ questions and to train them in coding skills. This attempt is done every day by allotting each subject to help the students to acquire higher levels of understanding following Bloom's Taxonomy.

- Faculty can upload the digital content, lecture plan, lecture notes, etc for the effective learning of students.
- Faculty can conduct objective or subjective tests through the platform.
- Analysis of the assessments can be done under various categories namely topic wise, section wise, question wise and based on Bloom's Taxonomy.
- Online feedback can be collected from students regarding all the activities.
- Coding assessments are scheduled to improve the coding skills.
- Examy platform is used to conduct online Descriptive end Semester Examination and evaluation. Smartpick is used for Question Paper Generation, PRAGATI APP used for students counselling.
