Initiatives and activities towards maintaining eco-friendly environment

Restricted entry of automobiles

The policy decision of the institution is not to allow any outside vehicle inside the campus. All the students and staff travel by college bus only. The buses are operated from various parts of the city to the college.

Use of bicycles / Battery operated cars

The blocks are close-by and students walk to their respective facilities. Office assistants and other maintenance personnel travel by bicycles.

Internal movement for other guests and dignitaries is through battery vehicles.

Pedestrian Friendly pathways

The college has pedestrian friendly pathways as the movement of any other vehicle during the college working hours is completely restricted. The pathways are cleaned twice a day by the maintenance staff. With green cover, the pathways are shadowy.

Ban on use of Plastic

At the outset, Department of science and humanities bans the use of plastic in the department by the students and staff.
