

R.M.K. ENGINEERING COLLEGE

(An Autonomous Institution)

INSTITUTIONAL DISTINCTIVENESS

Educational Organisations Management System (EOMS)

ISO 21001:2018 to improve the educational management system for sustainable growth.

Objectives of the Practice

- To provide quality education to students in alignment with the norms of statutory and regulatory bodies.
- To enhance the quality management processes on par with all regulatory bodies
- To obtain copyright for all the process documents.

The contextual features include upgradation of the quality of technical education with enhanced documentation process.

RMKEC becomes the first institution in South India to be certified through EOMS (ISO 21001:2018)

- RMKEC is committed to empower our students academically with values to transform the learners into global achievers.
- RMKEC strives towards instilling a spirit of innovation and entrepreneurship in the students, and to make the students industry ready. The institution consistently enhance the system through providing world-class infrastructure.

We have successfully implemented the EOMS system. The second EOMS audit has been completed with negligible NCR.
