

DISTINGUISHED ALUMNI

Ms. Sara S
2021/CSE,
Technology Services
Engineer II, Walmart,
Chennai

Mr. Vignesh Balaji
2019/CSE, Associate
Technical Consultant,
Salesforce, Bengaluru

Mr. Harish Kumar S
2018/CSE, Software
Engineer, ServiceNow,
USA

Mr. Bala Kumar S
2016/CSE, AI
Developer, Google,
California

Mr. Vivek Chandru
2015/CSE, Android
Developer, Amazon,
USA

Ms. Hetal Shah
2014/CSE, Software
Engineer II, Microsoft,
USA

Ms. Govardhani T C
2011/CSE, Principal
Consultant, Oracle,
Bengaluru

Mr. Gopinath E
2008/CSE, Software
Engineer, Google,
USA

ALUMNI TESTIMONIALS

Ms. K. M. Mufikisjss
Batch: 2006-2010,
Technical Team Lead,
IBM, Gsima-1;

I am here today purely because of what I learnt in RMKEC. The way the subjects were taught, the amount of attention the teachers gave to the subject is commendable. We learnt not just to get good grades but also to gain knowledge. The college environment made it possible for me to decide upon my further career planning. My teachers played a crucial role in making my career planning smoother and more enjoyable. R.M.K. boasts an extensive arsenal, featuring exceptional industry connection initiatives, cutting-edge laboratories, specialized orientation sessions led by field experts, and rigorous placement training programs. I express sincere gratitude to R.M.K. for serving as both my support system and platform throughout my journey.

M B Kilafi Raj
Batch 2007-2011
Software Engineer,
Kestrofi, USA.

My 4 years at RMK have been a wonderful experience of understanding the importance of discipline, being responsible, being professional and of course on understanding what engineering is all about and what engineers are capable of. I'm thankful to the college for giving me perfect infrastructure, the best faculties, and the best exposure needed to be a good engineer. I still remember the days where my professors encouraged me to conduct a seminar class on a topic, and I was a very silent guy. Those motivations and learnings are the foundations now making me deliver a presentation at world-leading international conferences. I also liked the professional development training that the college arranges to make us understand what industry expects from a fresh graduate and how we can showcase our skills to them. I'm still in touch with my professors, and I'm really thankful for the support, mentorship, and guidance they give me.

Ms. Padma Vaishika C
Project Manager
Alamance IT Solutions
Chennai
