

<b>Name</b> : Dr. M. MUDHU KRISHNAN <b>Designation</b> : Associate Professor <b>Qualification</b> : M.E., Ph.D., <b>Specialization</b> : Manufacturing Engineering		
Teaching Experience (No of years)	15 years 8 Months	
Industrial Experience (No of years)	1 Year 6 Months	
Research Area	Fabrication and Machining of Fiber Reinforced Thermoplastic Composite Materials	
No of Publications in Journals	<b>National</b>	<b>International</b>
	02	11
No of Publications in Conferences	<b>National</b>	<b>International</b>
	03	10
No of Workshops attended	17	
Awards received	Nil	
Details of Patents filed	Nil	
<b>Details of Funded projects received</b>		
<b>1. Project Title</b>  <b>Position held</b>  <b>Sanctioned amount</b>  <b>Sponsored by</b>  <b>Reference No.</b>  <b>Status</b>	: Process development for Fiber reinforced Thermoplastics (FRTP) prepregs by film stacking method and compression molding of FRTP product. : Co – Investigator : 18 Lakhs : Department of Science and Technology (DST), Government of India, New Delhi. : SR/S3/MERC-0104/2009 : completed on October 2013.	
<b>2. Project Title</b>  <b>Position</b>  <b>Sanctioned Amount</b>  <b>Sponsored by</b>	: Design and development of an affordable bed for elderly and terminally ill patients for preventing decubitus ulcer. : Co – Investigator : 7.4 Lakhs : Department of Science and Technology (DST), Government of India, New Delhi.	

<b>Reference No.</b> : SSD/TISN/024/2011-TIE <b>Status</b> : completed on December 2014.	
Details of Consultancy projects done	Nil
